BARBARIAN FURY xNUDGE®

Barbarian Fury xNudge® focuses on the classic nudge mechanic, but with a brutal twist with majestic rewards to follow.

Reintroducing the wild multiplier feature xNudge® in both main game as well as the bonus game - Barbarian Respin and Fury Spins both holds major potential with its xNudge mechanic.

Barbarian Fury xNudge is available with a dual RTP setup at 96.06% and 94.19% (DX1).

Game Features

Barbarian Fury is all about the xNudge® feature, both in main games as well as the Fury Spins. Chase that massive win multiplier and keep those roaring wins coming!

xNudge® Roaring Wild

A 4-row high Wild symbol exists on reel 2, 3 and 4 and will always nudge to fully visible. Each nudge increases the Wild multiplier by 1.

Several Wild multipliers add to each other for a total Wild multiplier on the line win for huge wins!

Barbarian Respin

May be triggered when 3 or more of the same Barbarian symbol lands on the reels. When triggered the barbarians will nudge to fully visible and lock for a respin. Wilds will also lock and be present in the respin.

Fury Spins

Landing 3 or more Scatters will trigger Fury Spins. The Wild multiplier becomes sticky and will not reset between spins. Number of spins is decided for how many nudges that's needed for the Scatters to nudge downwards outside of the reel - each nudge awards +1 spin.

Additional Scatters during Fury Spins awards more spins, +1 spin for each nudge.

Nolimit Bonus - Feature Buy functionality

A new promotion feature has been introduced - **Nolimit Bonus** - which allows the players to buy the Fury Spins, with a random number of spins ranging from 9 to 20 spins.

** The Nolimit Bonus feature may however be removed in some regulated markets.*
