BOOK OF SHADOWS

Hidden in the shadows lies the book of enchantments to alter the reality of “reel” world. The book will give the power to change the setup for every spin in this interactive title.

A 5x3 reel area that can expand to 5x5 setup in both main game and freespins giving additional paylines and wins. This game gives multiple choices for the player to dwell in the shadows choosing between the number of rows, locking reels and gamble.

The bonus round gives a Golden symbol that may award additional wins for big payouts with full screens of symbols.

Book of Shadows is available with a dual RTP setup at a range of 96.01% and 94.09% (DX1).

Game Features

Make your own destiny by choosing how to experience the game

Shadow Rows

Increase the number of rows and win lines for an additional cost for more frequent wins and bigger payouts.

Lucky Locks

After each main game spin choose which reels to lock and which to respin for an adjusted bet. Hold the Scatter symbols to increase the chance of hitting the Freespin.

Freespin with Golden symbol

Three or more Scatters (which are also wild) grants 10 Freespins with a special Golden expand symbol. If you're not happy with first draw you may make a redraw. Golden symbols expand to cover the whole reel when additional wins can be rewarded. The Freespin can be chosen with more or less Shadow rows altering the number of spins given.

Gamble

Gamble winnings on **50/50 Gamble** for double or nothing. **Gamble to bonus** gives the possibility to gamble the winning straight into Freespin for mysterious wins.

Nolimit Bonus - Feature Buy functionality

Nolimit Bonus - allows the players to buy directly into the Freespin.

** The Nolimit Bonus feature and gamble into bonus may however be removed in some regulated markets.*
