

ICE ICE YETI

Warm welcome into the freezing wilderness, where the Yeti and the little rascals live. It's a video slot suited perfectly for mobile portrait mode with the 5x7 reel area, with up to 16 807 win ways. The withdrawn Yeti Wild will open up the reels in an explosive feature that breaks open the game area over and over again in an exciting respin feature.

Ice Ice Yeti is a slot with 16 807 win ways on a 5x7 reel area, where the two top and two bottom rows needs to be unlocked to be playable. The different game features of the game will all open up the locked positions, all to increase the winning chances and award potential big wins.

Game Features

Ice Ice Yeti starts out as a 5x3 game area, but grows into 5x7 as the ice blocks breaks open. The chase is all about gaining sticky symbol respins whilst getting wilds that will break the surrounding ice and expand the game area.

Main game consists of two prominent features - Yeti Shake and Ice Ice Respins. Both features increases the game area to open up the games true potential, with the 16 807 ways to win.

Yeti Shake
On any spin in main game the Yeti Shake may trigger and will break 2 to 10 ice blocks for an instantly increased game area for huge wins, right of the bat.

Ice Ice Respins
This feature is triggered by the Yeti Wild, that will let out a powerful roar to break 2 to 3 ice blocks and award a respin. Any additional winning symbols will award yet another respin, and another chance to break even more ice blocks for that chillin' 16 807 win ways!
